Aloha Friends and Neighbors,

First of all, I would like to wish all the students going back to school this fall a prosperous new year. I also want to thank everyone for giving me the opportunity to represent District 41 in the Hawaii State House of Representatives. I am humbled by your continued support and it is my honor to serve you in our community. I am taking the interim to learn and prepare for the upcoming legislative session through site visits to important facilities throughout our state, to ensure accountability of our tax dollars.

Natural Disaster Preparedness Meeting

On August 25th Representatives Henry Aquino, Ryan Yamane, Senator Nisihara and I hosted a Natural disaster preparedness meeting at Waipahu Intermediate School. We were joined by Ed Texeira and the Hawaii State Civil Defense. They provided great information. For info. regarding natural disaster preparedness you may call (808) 723-8960 or visit the website at www.oahuDEM.org.

Site Visits

In the past few months The Public Safety and Military Affairs Committee have been visiting the corrections centers on Oahu they are HCC, OCCC the WCC and Waiawa.

I visited the Honolulu harbor to view their facilities and learn about security and safety. Shipping and our Harbors are important to the commerce in the state. With over ninety percent (90%) of our goods coming in through our harbor system. Maintaining, securing and upgrading our facilities are important to our economy and commerce within the state.

Understanding City functions of Wastewater. These facilities are an important infrastructure. With concerns over the rate increase we wanted to ensure money was being spent wisely.

I would like to give a big Mahalo the Village Park Community Assoc and all those in the community for their donations and support to our School Supply Drive held on July 30th 2011.
